Agenda LNID Board Trustee Meeting Thurs. October 31, 2019 10:00am Conference Call/Meeting at Coral Brown's Residence

Present: Sandie Wilson, Coral Brown, Pam Mann, George Windsor, Glenda Stewart-Smith, Reinhard Maier

Old Business

- 1. Acceptance of AGM Minutes
 - Discussed under AGM Minutes/OT Tax
- 2. Acceptance of minutes of meeting September 26, 2019
 - Moved: Sandie Seconded: Reinhard Maier Carried
- 3. R. Palmer re: moving forward with lien on property
 - George is working with the lawyer to put the presentation together
- 4. Moving forward with the conversion process
 - The request was received by the RDOS and is under review by staff. It could be on the December Board agenda.
 - Conversation with Subrina Montieth, Area I Director re: funding opportunities to start the process. The first step is an audit by RDOS of our assets, minutes, etc. Glenda contacted the Ministry who forwarded info on grants and she will work with Subrina on this.
- 5. Maintenance of Statutory Right of Way and Pump (Glenda and Reinhard)
 - Possible option would be to approach hiring someone to maintain right of way twice a year (Glenda will follow up).
 - Knapweed is being cleared by a small tractor down to the pump.
 - 3 quotes for different pumps from \$13,000 to \$18,000. Reinhard will continue to check cost in lower mainland and will email out quotes. A new pump should reduce the cost of electricity. May need a new water pipe as well. Keep the old pump as a stand-by for flooding emergency. (Reinhard will follow up).
 - Fortis calling for a read of meter. Coral explained no power used since Dec. 4, 2018 and the read is exactly the same as then. Fortis is restructuring how they bill irrigation districts.
- 6. Love Your Lake Al Peat grant funding for nature/lakeshore assessment
 - LNID provided a letter of support. There is no after-submission communication between proponent and SOCF reviewers pending project approval or rejection, so no word yet. The proposal will go through a technical review panel then, if recommended for funding, it must be further endorsed by the RDOS Board. Both Area "D" Director Ron Oberik and Area "I" Director Sabrina Monteith are aware from earlier discussions that they would submit a Year 2 Love Your Lake proposal for Skaha Lake and Twin Lakes. They do not anticipate hearing anything about the proposal's outcome until early next year.
 - AGM Invitation presentation (Glenda will follow up)
- 7. Lemky Driveway Lower Horn Creek is not blocked or compromised.
- 8. Don Dobson Lake level management plan

- The intention is to complete the report and it is in the works.
- RDOS also wants this report and will rely on it as part of the decision-making process for conversion. He will do his best to prepare the report for us ASAP as we may want to share it with the RDOS before the December board meeting. The \$5000 is available. (Glenda will follow up)
- 9. AGM Minutes/OT Tax
 - George working on minutes data lost on his computer
 - Coral will follow-up with attendance sheets not needed
 - What is needed is: George & Coral's signature on the AGM Minutes (should include the financials, 2010 budget, Trustee & Water Reports will all be included with the minutes). The motions of acceptance of the budget give the permission for the operating tax & the honourarium. (George and Glenda will follow up)
