

The annual general meeting of the Lower
Ripet Improvement district for the year 1970 was
held in the church hall of Christ the King church
in North Bernaly on April 24th, 1970 at 8⁰⁰ P.M.

The minutes of the last general meeting were
read and adopted.

Correspondence for the past year was read
to the meeting. Special items were By law's
#2, 3, and 4, and correspondence with the
Comptroller of Water Rights with respect to
the water meter.

Moved by Mrs. Glendinning and seconded by
Mrs. Ripley that the financial statement be accepted.

Mrs. Ripley reported from the Pollution
Committee. His report covered the Dude ranch
corrals, e.g. fencing off to prevent cattle & stock
from polluting the lake, use of high potash
soaps, restriction of motor boats, and flushing
of lake to remove algae.

(2)

Mr. Sutherland representing Gabriola Wildwood Estates reported on their development plans. He emphasized that it would be in the interests of the development to bring the level of the lake back up to its former level.

Mrs. Glendenning was re-elected Trustee.

The trustees were directed to circulate a letter to all land owners enclosing ideas on soap pollution, use and care of beach fires, the passing on of this information to any tenant.

The trustees were further directed to maintain contact with the developer.

A resolution was passed that power boats be excluded from Lower Mipit Lake regularly known as Twin Lake.

The meeting adjourned at 10¹⁵ P.M.
